Wade, Stephen ..... 91(2)
Willett, Peter ..... 91(2)

Article index

Applications of AI technology in Online database services ..... 283(5)
Business and Technology of Electronic and Optical Publishing ..... 291(5)
Comparison of knowledge-based and statistically-based techniques for reference retrieval ..... 91(2)

Computer database searching and business librarians ..... 39(1)

Computer Database Advice Centre: the development of a new user service ..... 25(1)

Computer Information Retrieval in China: current situation and future trends ..... 179(2)

Detrimental effects of searching with precoordinated terms ..... 205(4)

European Online Survey 1988 ..... 277(5)

Evaluation of the acceptance of Medline on CD-ROM in Dutch medical libraries ..... 341(6)

Integrated system for multi-host documentation for the Italian governmental administration ..... 183(2)

Invoices for online services ..... 351(6)

Medline on CD-ROM: an evaluation after six months' use ..... 197(4)

Mexical health sciences research 1982–1986 ..... 171(2)

Multifile Multidisciplinary (Horizontal) Search approach — justification and approach ..... 47(1)

Noise Levels: a database of industrial noise level measurements ..... 211(4)

Online databases as sources of linguistic information ..... 15(1)

Reaching out to the end user with the BIOSIS connection ..... 361(6)

Telematics in France: panorama and prospects ..... 109(2)

Using Dialindex for the identification of online databases relevant to urban and regional planning ..... 119(2)

Conference Reports

Microsoft CD-ROM Conference ..... 157(3)

RIAO '88 ..... 163(3)

Software Reviews

Bib/Search: for text and structured databases ..... 219(4)

Exchange: Automatic file transfers ..... 53(3)

INMAGIC ..... 375(6)

Notebook II: A text database with indexing and retrieval ..... 301(5)

PaperChase: For Medline searching ..... 7(1)

Textbank: Text searching and retrieval ..... 63(1)

Wordfinder: Electronic thesaurus ..... 9(1)

CD-ROM Reviews

DIALOG Ondisc ERIC ..... 225(4)

McGraw-Hill CD-ROM Science and Technical Reference Set ..... 387(6)

TERMDOK — multilingual technical directory ..... 304(5)

Book Reviews

ACCIS guide to United Nations Information Sources on food and agriculture ..... 319(5)

Classified bibliography on online public access catalogues ..... 317(5)
